## In This Issue

### Bits & Pieces

- Post Harvest Update and Recertification Workshop
- Announcing the 2014 Crop Management Workshops
- 2013 Pest&Crop Index

**Dear Pest&Crop Readers:** We need your HELP. We want the Pest&Crop to better serve your needs. Please take a couple minutes now for this confidential, online survey. Thank you for your time! Click the following link: [<http://tinyurl.com/kz65egl>](http://tinyurl.com/kz65egl)

## Bits & Pieces

**Post Harvest Update and Recertification Workshop -** (*Linda Mason*) The Post Harvest Update and Recertification Workshop will be held December 16, 2013 at the Beck Agricultural Center, Purdue Agronomy Center for Research and Education, 4540 U.S. 52 W., West Lafayette, IN 47906. Pre-register and save money, \$95.00 by Dec. 9 and \$110.00 after. Registration is limited.

The schedule of the day:

8:30 AM	Registration, Coffee & Donuts
9 AM - 12 PM	Sessions
12 - 1 PM	Catered Lunch Provided
1 - 4 PM	Sessions
4 PM	Complete Certification Forms

CCH's applied for: 1 (6 CCH's); 4 (4 CCH's); 7A (6 CCH's)' 7D (5 CCH's); RT (4 CCH's). Watch for more detail on our Post Harvest and Grain Quality Website: [<http://extension.entm.purdue.edu/grainlab/content/pdf/postharvest.pdf>](http://extension.entm.purdue.edu/grainlab/content/pdf/postharvest.pdf).

## **Announcing the 2014 Crop Management Workshops—** (John Obermeyer)

The Purdue Pest Management Program is offering a series of Crop Management Workshops (CMWs) to be held at five locations through Indiana. Here are the locations and dates:

Monday – January 27, 2014 – Plymouth, Swan Lake Resort  
 Tuesday – January 28, 2014 – Bluffton, Wells County Community Center  
 Wednesday, January 29, 2014 – Batesville, Walhill Farm, The Barn  
 Thursday, January 30, 2014 – Huntingburg, Huntingburg Event Center  
 Friday, January 31, 2014 – West Lafayette, Beck Agricultural Center

The Schedule is (*Times listed are Eastern Time*)

8:30 AM – 9 AM	Registration
9 AM – 12 PM	Morning Presentations
12 PM – 12:45 PM	Lunch Provided
12:45 PM – 4:30 PM	Afternoon Presentations

This year's topics include:

1. Complaints, Inspections, and Other Regulatory Revelations - Joe Becovitz
2. Pigweeds, Hogweeds, and Maretail...Oh My! - Bill Johnson and Travis Legleiter
3. Fertilizers and Lime: What Do I Really Need? - Jim Camberato
4. Update on Soybean Cyst Nematode - Jamal Faghihi
5. Emerging Field Crop Disease Issues - Kiersten Wise
6. Insect IPM and the Swiss Army Knife: Multiple Tools Work Better - Christian Krupke
7. Set the Table for High Corn Yields with Successful Stand Establishment - Bob Nielsen
8. The Science and Reality of Adjuvants: Are They Needed for Herbicides? - Fred Whitford

The topics of these meetings are adapted from the previous cropping year, new technologies, questions asked by agribusiness personnel, and suggestions from past CMWs. Certification credits for Indiana's commercial (CCH) and Private (PARP) Pesticide Applicators and Certified Crop Advisors (CEU) will be awarded to attendees. Credits for Ohio applicators have been requested.

Brochures will soon be mailed to all Indiana Commercial Pesticide Applicators and Certified Crop Advisors. On-line registration, and a PDF brochure will be available on Monday, November 25 at <<http://www.conf.purdue.edu/crop>>. Click on the Crop Management Workshop you want to attend. Looking forward to seeing you there!
