

# Business Workshop

@ The 84<sup>th</sup> Purdue Pest Management Conference

## “Making Your Business Better”

*sponsored by the Indiana Pest Management Association*

Many of us know the technical side of pest management, but how well do we know the business side? This special workshop is for small and large company owners, officers, managers, and your whole leadership team. There will be no continued education credits for this session but we guarantee that you will take home some useful ideas about how to make your business better.
